Rihanna has been featured on the cover of Interview magazine. The singing sensation said that she and A\$AP Rocky first collaborated for Cockiness (Love It). The duo performed the remix at the MTV Video Music. He grabbed her a**, and her team was terrified about her reaction, but the singer continued to work with him on Fashion Kills.

Rihanna and A\$AP Rocky became "buddies" and supported each other because they had similar tastes in fashion and music. They strengthened their friendship and became romance buddies at the end of 2019. They were aware of each other's past relationships. She said that COVID brought them together faster. Otherwise, they might have taken more time to get to know each other.

Rihanna also spoke about their two sons—RZA and Riot Rose. She said she would want as many children as "God wants me to have." She spoke of wanting a girl but said she would be fine if she had "another boy" with her rapper partner. They have never publicly confirmed that they are married. Celebrity couple Rihanna and A\$AP Rocky are happy together, whether they are or they are not their married.
